Dear Farmer/Supplier

Chin Tai - Grate Mountain requires that our farmers/suppliers acknowledge compliance with the following policies and guidelines to maintain food safety standards:

- Suppliers agree to ensure that all products are sold unadulterated, uncontaminated, non-injurious, or otherwise fit for human consumption within the meaning of the Safe food for Canadians Act, the Canada Agricultural Products Act, or the Canadian Food Inspection Agency regulations.
- Suppliers are aware with the limits on how much of a pesticide residue can remain on the products and comply with the maximum residue limits (MRLs) or tolerances for Canada.
- All products are to be manufactured, stored and transported under conditions which preclude chemical, physical, microbiological and insect contamination.
- All products shall meet the agreed-upon specifications
  - Suitable for intended use/quality and food safety parameters
  - No evidence of contamination or evidence of pests
  - Be able to provide certificate of analysis when requested.
  - No evidence of food fraud incident for the past 5 years
- Supplies are packaged in accordance with good manufacturing and food safety practices under strict sanitary conditions.
- Suppliers have an effective allergen control program to prevent any possibility of cross contamination.
- Suppliers are committed to the implementation of good management practices and good agricultural practices for the safe production of the products supplied to our customers.
- All packaging material supplied shall not been made with or have been exposed to synthetic fungicides, preservatives, or fumigants.
